

Are your supervisors helping you improve your bottom-line?

Are your supervisors effectively improving employee performance?

“LEADERSHIP IN THE TRENCHES “

1 DAY WORKSHOP

**WILL HELP SUPERVISORS HELP YOU . . . BY
GAINING KEY SKILLS:**

Morning

- ◆ **Business Framework:** what drives business requirements
- ◆ **Leadership Style:** accountability while maintaining employee commitment

Afternoon

- ◆ **The Leader as a Trainer:** Development of a strong team by building skills day-by-day
- ◆ **Reflective listening:** how to listen without conceding authority

This workshop is a *cost-effective* way to develop your supervisors into the strong leaders they can be. . . and that you need!

**WHAT OTHERS HAVE
SAID ABOUT CLEMENTS
PERFORMANCE
SOLUTIONS:**

- *“Excellent course.”*
- *“I compliment you for your teaching skills. You held the attention of all.*
- *“Course material is very compelling!”*
