

Are your supervisors helping you improve your bottom-line?

Are your supervisors effectively improving employee performance?

“LEADERSHIP IN THE TRENCHES–2 “

2 1/2 DAY WORKSHOP

**WILL HELP SUPERVISORS HELP YOU . . . BY
GAINING KEY SKILLS:**

Day One

- ◆ **Business Framework:** what drives business requirements
- ◆ **Leadership Style:** accountability while maintaining employee commitment
- ◆ **The Leader as a Trainer:** Development of a strong team by building skills day-by-day

Day Two

- ◆ **Reflective listening:** how to listen without conceding authority
- ◆ **Processes and Results–driving results through processes and measures**

Day Three

- ◆ **Continuous Improvement:** the leaders role in using measures and motivation to drive results, including such system as Lean-6σ

This workshop is a *cost-effective* way to develop your supervisors into the strong leaders they can be . . . and that you need!
