

**Are you at a cross-roads for your business? Is time of the essence?
Do you want to avoid a crisis?**

“TRANSFORMATIONAL LEADERSHIP “
3 DAY WORKSHOP

***WILL ENABLE LEADERS TO DRIVE
IMPROVEMENTS IN RESULTS:***

Day One

- ◆ **Setting the strategic direction** – determining where to go;
- ◆ **Building the team that is required** – selection of capable people;
- ◆ **Guiding the Organization** – the proper level of leadership involvement – how to balance control and delegation;

Day Two

- ◆ **Management by Boundaries** – how to use performance management systems to measure and reward;
- ◆ **Implementation of Effective Processes** – the leaders’ role in business and improvement processes;
- ◆ **Institutionalizing The Gains** – Developing people and succession planning;

Day Three

- ◆ **Government and Community Relations** – how to navigate the waters of regulation and government;
- ◆ **The Effective Use of Social Media** – How to successfully use current and emerging media for internal leadership and external interaction;
- ◆ **Leadership for leadership** – motivating the leaders.

A must for leaders in today’s competitive environment!
